

First Presbyterian Church of Schoolcraft

May 7, 2019

Greetings,

Schoolcraft First Presbyterian Church is seeking a Temporary Supply Pastor (Pastor or Candidate) to serve us for a specified period of months.

This position is open as of May 2019, as our contract co-pastors, the Rev. Dan Jelsma and Candidate Renee Jelsma, ended their employment with our church on April 30 to accept a permanent position. We hope to have a temporary (contract) supply pastor as soon as possible to provide us with some continuity.

We aspire to find a pastor who will deliver Sunday sermons, deliver some pastoral care, be available by phone contact for any dire or urgent event, officiate at funerals, moderate session and congregational meetings (if ordained), and perform some administrative duties.

Our manse will be available and is adequately furnished for occupancy for these months of employment should you desire to live closer to the church or stay-over some nights.

If you are interested in this position and would like more information about it or know of anyone who may be interested, please contact our Personnel Elder Barbara Barnett at barbarajbarnett1@gmail.com or (269) 679-5877.

Thank you for your interest and reply.

Peace and Joy,

Schoolcraft First Presbyterian Church Session Members
