

PRESBYTERIAN YOUTH TRIENNIUM 2022

July 24-27 • Indianapolis, IN

Presbyterian Youth Triennium is a gathering for high school age youth, leaders and young adults in the Presbyterian Church (USA) and Cumberland Presbyterian Churches. PYT will be held at the Indiana Convention Center in 2022, with housing at local hotels near the convention center.

The cost for the event including registration, housing, transportation, and meals will be approximately \$700 per youth, with the Presbytery covering a portion of that fee. A suggestion to help with the cost for families and to raise awareness for PYT is to host a fundraising event at your church.

You can find out more about PYT on Facebook at:

Even though July 2022 seems so far away, we need to begin planning now. Please discuss this wonderful opportunity with your youth and encourage participation if you see a fit. **We would like an estimate of participants by October 17, 2021.** (*This is for planning purposes only. Registration for the event will open this winter.)

Please contact Jody Thompson, PYT 2022 Registrar,
to submit interest estimate and with any questions that you may have.
