

Ministry Action Plan . . .

A MAP to help us discern our goals and budget for the next year

This is a tool to help evaluate the proposed ministry as it relates to the core values, mission and vision of the Presbytery of Lake Michigan in the Presbyterian Church (U.S.A.) and to discern goals for the next year.

The Ministry Action Plan on page 3 should summarize your discussions within your group. This will inform the 2023 budgeting process **AND** help us communicate to members and congregations how their money is being used to further the goals of the Presbytery of Lake Michigan.

STEP ONE: DEFINE YOUR MINISTRY'S PURPOSE

The purpose of your committee/ ministry should be in harmony with the presbytery's core values, mission and vision statement. *(These are included later in this document.)* How does what you propose help to fulfill the mission of the Presbytery of Lake Michigan? **The response should be action oriented** AND **contain specific details** about what your ministry will do.

STEP TWO: EVALUATE YOUR MINISTRY

1. List your ministry's outcomes and accomplishments in the past year.
2. List what you believe were the critical success factors in these accomplishments.
3. List your ministry's primary disappointments, difficulties, failures, or missed opportunities last year.
4. List the activities, strategies and tactics employed this year that you will eliminate.
5. List the activities, strategies, tactics you will modify.

STEP THREE: NEXT STEPS FOR 2023

1. What are your goals for the year 2023? What strategies and activities will you employ to meet your goals? What is needed to accomplish each goal (staff, volunteers, equipment, space, etc.)?
2. Use this to prepare a budget. Please look at each line item in your current budget and consider:
 - a. *Validity*: Is the line item still needed?
 - b. *Effectiveness*: Is the item accomplishing its objective? Does it help us achieve our values, mission and vision?
 - c. *Efficiency*: Is there a way to accomplish the same thing with less money or fewer human resources? Have you sought competitive bids from suppliers/service providers? Is this ministry being duplicated anywhere else at the presbytery level?
 - d. *Expansion*: How can more be accomplished if additional resources were available? Do we need a new/different line item to accomplish our goals?
3. **Please submit a line item budget for fiscal year 2023 which details expected income and expected expense for 2023.**

STEP FOUR: WORKING THE PLAN

1. Draft the Ministry Action Plan (MAP) with your committee and **submit the MAP and the accompanying budget by Friday, June 17, 2022** to Audrey Curry at bookkeeperplm@gmail.com and give a copy to all your team members. Information on the MAP will be used to build the 2023 budget and create a narrative that communicates our stewardship.
2. The Budget & Finance Committee will review budget requests and meet with teams, commissions, committees, and groups, if necessary, and/or communicate with the appropriate representatives if budget reductions are needed.
3. Ongoing, the facilitator of each team and the moderator/leader of the commission, committee, or group will use this MAP as a guide for planning and assessment of ministry goals.
