

IN MEMORY OF HER: Exploring and  
Celebrating the Women of the Bible  
Dec 28 2023 - Jan 10 2024

The organizer, Rev. Lynne Fry has curated an exploration and celebration of women in the Bible and created an experience that will offer wholeness and refreshment for body, mind, spirit, strength and self.

This Holy Land experience is open to all who seek to hear the often hidden voices of the women of the Bible. We will visit sites that will remind us of stories that stretch from Sarah all the way to the women of the gospels. From the tombs of Sarah and Rachel to the Samaritan Woman's well, and the women at the tomb of Jesus, we will travel from north to south. Crossing into Jordan, we will go to Petra and remember Herod Antipas' first Nabatean wife. We will also meet and engage with Christian, Muslim and Jewish women who work for peace and inclusion in Palestine and Israel. Stops will be made to explore Jesus' ancestresses. We will renew our baptism at the Jordan. Each day we will worship together, celebrating communion in Jerusalem and a closing dinner. There will even be time to pamper yourself a bit at some spa hotels. This journey will provide an amazing way to hear the Christmas season bells and ring in the New Year!

USA organizer Rev. Anne Weirich and Tel Aviv Tour Operator Gadi Hadani have more than 50 years of combined leading experience. Working together since 2008, they will use their expertise and contacts to provide excellent worship, travel and content.
