

We are called to celebrate God's grace as a Christ-centered community of acceptance, growing in faith and living as Christ's hands to serve.

Dear Friends,

We are excited for another great season of Christian summer camp!

I am writing because First Presbyterian Church of Grand Haven, Michigan, is eager to provide generous financial assistance to children attending a Christian camp. We would love for you to extend this opportunity to the children and youth of your church. Please share this opportunity and distribute the attached application to other churches or individuals who may benefit from this funding.

Program Parameters:

- The camp must have a primary purpose of Christian faith development.
- Funding is available to any child or youth connected to your church; we want each of them to have a place where their faith can continue to grow.
- The camper's family is responsible for paying the camp registration fee at minimum. Families may contribute more if they choose.
- This program will cover the remaining cost of camp, typically up to **\$500 per camper**.
- There are **no income requirements** for financial assistance. We want all children to be able to attend Christian camp without restriction.
- We will be praying for each of the campers.
- Because this program is centered on nurturing faith, we ask each camper to write a brief **reflection letter** after they return, sharing how their experience helped them grow. Please mail these or drop them off at our church office after camp.

To access these funds, families must submit the completed financial application to us, along with proof of camp registration. Without this application, we are unable to process funding requests. Since many camps fill up quickly, we encourage families to submit their materials as early as possible.

If you have any questions, please don't hesitate to contact our church office. If you would like an electronic version of the application materials, please email campgrant@fpgh.org.

We are grateful for the opportunity to extend this support to other churches, and I trust your prayers will join mine in asking for a meaningful and faith-filled summer of camp for our children.
