

Part-Time Pastor – Schoolcraft MI

First Presbyterian Church of Schoolcraft is seeking a permanent part-time pastor. We aspire to find a pastor who will deliver Sunday sermons, provide pastoral care, participate in church functions and activities, lead Adult Bible Study, perform some administrative duties, and work with lay leaders.

We are a small church family inclusive of all generations (4 years to 90+). We are friendly, joyful, compassionate, open to new ideas, have an active lay leadership, engage in mission activities, are supportive of each other and welcoming to all newcomers. Our worship services are traditional in style while sometimes including modern aspects. Adjacent to the church are the manse and Westminster Hall.

The village of Schoolcraft has an excellent school system, is close to colleges, a university, cultural events, restaurants, hospitals, walking trails, farmland, and lakes.

If you are interested in this position and would like more information, please contact our personnel elder, Barbara Barnett, at barbarajbarnett@gmail.com or 269-679.5877 or the church at office@fpcos.org.
